- **Your actual classes will be determined by placement criteria, prior grades, and teacher recommendations.**
- **By the third week of school,** students are considered properly placed and should remain in their classes until the end of the semester. Class changes are not made due to low performance or poor attendance.
- Placement into a zero period is dependent upon good attendance, course requests, and space availability.
- **Make healthy and appropriate choices.** Remember, you have extracurricular activities and life outside of school too!
