## Course Request Worksheet Instructions 10<sup>th</sup> Grade

# 10

**Check one course in each box by subject in the corresponding boxes on the front of this page.**

**Box 1:** English. Select CP English 2 or CP English 2 Honors. English class placement is based on current course and grades earned.

**Box 2:** Mathematics. Select Algebra 1, Accelerated Geometry, Geometry, Algebra 2, or Alg2/Trig. Mathematics placement is based on current course and grades earned.

**Box 3:** Science. Select Honors Biology, Biology, Earth Science, Chemistry, or Chem Comm, or Physics. Current Math and English classes and grades earned are used to confirm appropriate science placement.

**Box 4:** World History. Select World History or AP European History. English class grade and overall grade performance is used in consideration of placement into AP European History.

**Box 5:** Physical Education (PE). All students must complete two years of PE credit to earn a diploma. Alternate courses to PE are based on coach approval or audition.

**Box 6:** Elective Courses. Circle your first choice. Some electives are based on recommendation or audition.

**Discuss your course requests with your family. Student and Parent sign the form.**

Bring request worksheet with you to the Guidance Course Request meeting in the library.

**More information can be found at:** <http://fvhsguidance.weebly.com/>

- Consider graduation requirements and college/career goals when making course requests.
- Current classes/grades, state testing results, and current teacher comments are used in recommending course placement.
- By the third week of school, students are considered properly placed and are to remain in their classes.
- Refer to the FVHS Course Guide for detailed class descriptions and placement recommendations.
