

AVID is a four-year elective program designed to support students in reaching their college and career aspirations.

Incoming 9th Grade students interested in joining the 2021-2022 AVID Elective 1 class should complete our [online application](#) before May 1st.

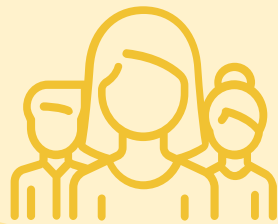

Skills for academic success, including note-taking strategies and student-led tutorials

College preparation, including scholarship workshops and campus field trips

Career exploration, including aptitude projects and guest speakers

A built-in community of learners immersed in a college-going culture

"Students should join the AVID elective class because it's a great step in the right direction! If students have ambitious goals and are looking to attend a four year college AVID helps them be the best student they can be, while making friends with similar goals..."

"Students should join the AVID elective class because it gives you a sense of community that you never really thought you needed, but you do. AVID helps me grow emotionally, socially, and academically."

"AVID helps you stay more organized and learn skills that help you be successful. There are always people around to support you and help you whenever you need it, and it's kinda like one big family...It's always a blast, and I can't wait to see what the following years bring."
